

NPCI's GST Web Portal

From complexity to simplicity

Introducing the GST Web Portal, a comprehensive web platform designed to simplify the complexities involved in monthly processing of B2B interchange fee GST invoices, GSTR reports and the process of TDS reimbursement.

Agenda

Existing Process

Challenges in the Existing Process

NPCI's GST Portal – Key features

NPCI's GST Portal – Application Overview

Existing – B2B Interchange fee GST & TDS Process

1

Reports generation

First week of every month, NPCI generates the GSTR reports, Invoices & TDS reports on B2B interchange free for all the products of NPCI

2

Report Distribution

Generated reports will be placed in an SFTP server, product wise & month wise for banks to login and download

3

Digital Signing

Issuer/payer banks downloads the invoices and performs digital signing on the invoices. Place the signed invoices back to the SFTP

4

Move signed invoices

Issuer/Payer place the signed invoices back to SFTP server. These signed invoices will be moved to the respective Payee directories

5

TDS Reimbursement

PSU's claim their TDS amount by submitting their deductor report. The deductor report sent to NPCI via mail requesting for reimbursement

6

TDS Settlement

After validating the deductor report, NPCI officials process the TDS reimbursement for settlement and trigger email communication with member banks

Challenges in the Current GST Ecosystem

1 Time-Consuming

Report generation and to keep them available in SFTP, is time consuming. Usually, it takes 4 to 5 working days to place all product reports.

2 Difficult to track

Difficult to track the process, such as no. of banks pending for signing. Bank who claimed/not-claimed the TDS reimbursement.

3 Accessibility

SFTP needs to be accessed via third party applications such as WinSCP or FileZilla. Requires proper configuration at acceptable keys between server & client

4 Manual efforts

Manual GST/TDS management processes can be time-consuming and prone to errors, affecting overall productivity.

4 Recurring Follow ups

Multiple mail communications being happening between NPCI & Banks on submission of pending reports

Introducing NPCI's GST Web Portal

Welcome to NPCI's GST Portal

Key Features of the GST Web Portal

Service on time

Accurate and automated GST reports made ready on time.

24x7 Availability

Your GST reports will be accessible anytime, 24/7, throughout the entire year

All in one solution

Single platform for all your activities. Reports, digital signing, TDS Reimbursement submission

Smooth user management

Banks are now given with admin credentials, and the "forgot password" feature is available exclusively with MFA

Welcome to NPCI's GST Portal

Email*

you@example.com

Key Features of the GST Web Portal

Improved monitoring & tracking

Stay informed about your current status and pending tasks.

Reduced Dependency

The platform is designed for self-learning, eliminating the need to rely on NPCI to complete your activities.

Alert mechanism

Configured mail alerts to get notified as and when needed

NPCI's GST Portal – How to access

- Access the new GST web portal using following URL: <https://gstportal.npci.org.in>
- To access the URL, users must whitelist the NPCI IP address and port at their network level. Additionally, NPCI must whitelist the respective bank's IP address at the NPCI network level.

NPCI IP Details

PR Public IP: 103.14.162.217 **DR Public IP:** 103.14.161.227

Port: 443

** These are the same IPs being used to connect with SFTP server. Only change in the port

NPCI's GST Portal – User Login

Welcome to NPCI's GST Portal

Email*

ABCD_admin@gmail.com

Password* [Forgot password?](#)

.....|

LOG IN

Bank will receive one admin credentials with their Bank ID along with a default password

Scan QR code in your Google Authenticator app

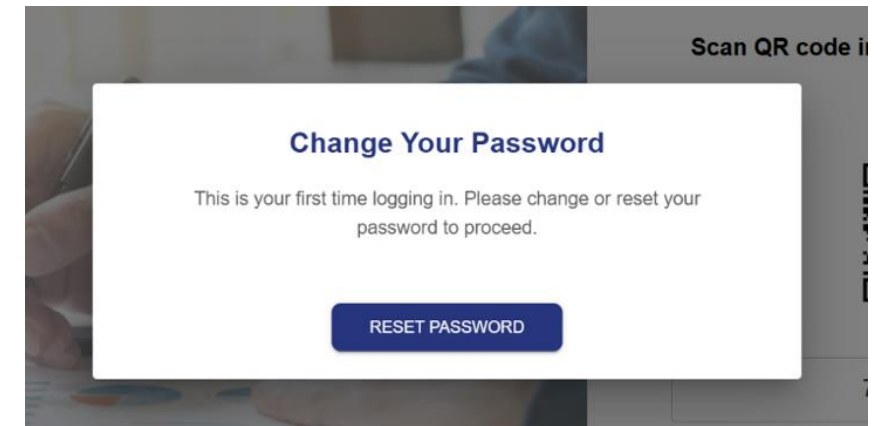

7 2 4 9 7 6 |

SUBMIT

Scan the QR code to register for MFA and to get the token. – this is only during first time login

** User can use any authenticator app, such as Google authenticator or Microsoft authenticator

Change Your Password

This is your first time logging in. Please change or reset your password to proceed.

RESET PASSWORD

Reset your old password which is set by NPCI & create your own password – This is only during first time login

NPCI's GST Portal – User Management

User Profiles

NPCI Super Admin, NPCI Product User, Bank Admin, Bank Checker, Bank Maker.

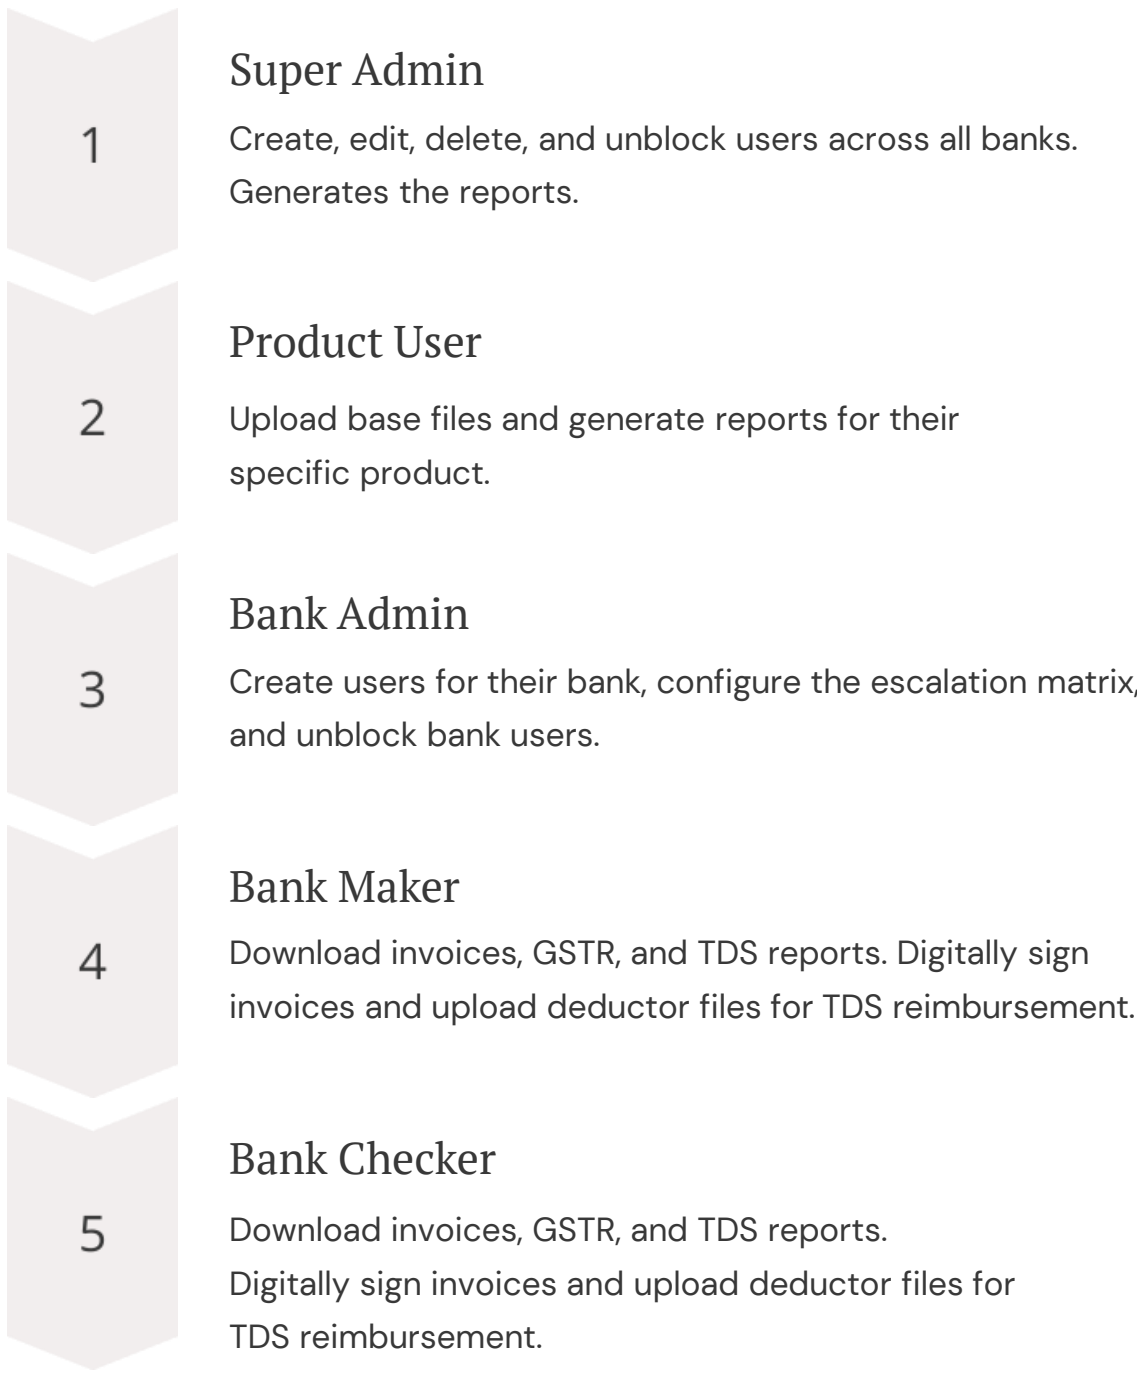

Roles & Permissions

Different user profiles have varying access rights to the portal's functionalities.

User Management

Bank Admins can create, edit, delete, and unblock users within their respective banks.

NPCI's GST Portal – User Management

NPCI's GST Portal – Access to Reports

The screenshot shows the NPCI's GST Portal interface. On the left is a sidebar with navigation links: Dashboard, Products (selected), Documents, Admin, and Logout. The top header includes the NPCI logo, the text 'HDFC', a notification bell, and a user profile for 'hdfcAdmin' with email 'hdfc_admin@gmail.com'. The main content area is titled 'UPI' and features a search bar, 'SEARCH' and 'CLEAR' buttons, and a 'DOWNLOAD' button. Below this are tabs for 'TDS REPORTS', 'GSTR REPORTS', and 'INVOICES'. A 'STEP 8/8' indicator is present. The section is titled 'TDS Reports received from NPCI' with a placeholder text. A table lists the reports with columns: Select All, File name, Report Size, Date of Report, Created At, and Action. A single report is listed: 'HDFC_UPI_TDS_Deductee_202409.xlsx' with a size of 93766 bytes, date 202409, and creation time 2024-12-11 12:59:21. A 'Row Per Page' dropdown is set to 10.

Select All	File name	Report Size	Date of Report	Created At	Action
☐	HDFC_UPI_TDS_Deductee_202409.xlsx	93766 bytes	202409	2024-12-11 12:59:21	Download

Option for Cumulative download. Can download TDS, GSTR & Invoices all at once for a month

Inside the product page, user can see TDS Reports, GSTR Reports & Invoices ready to download

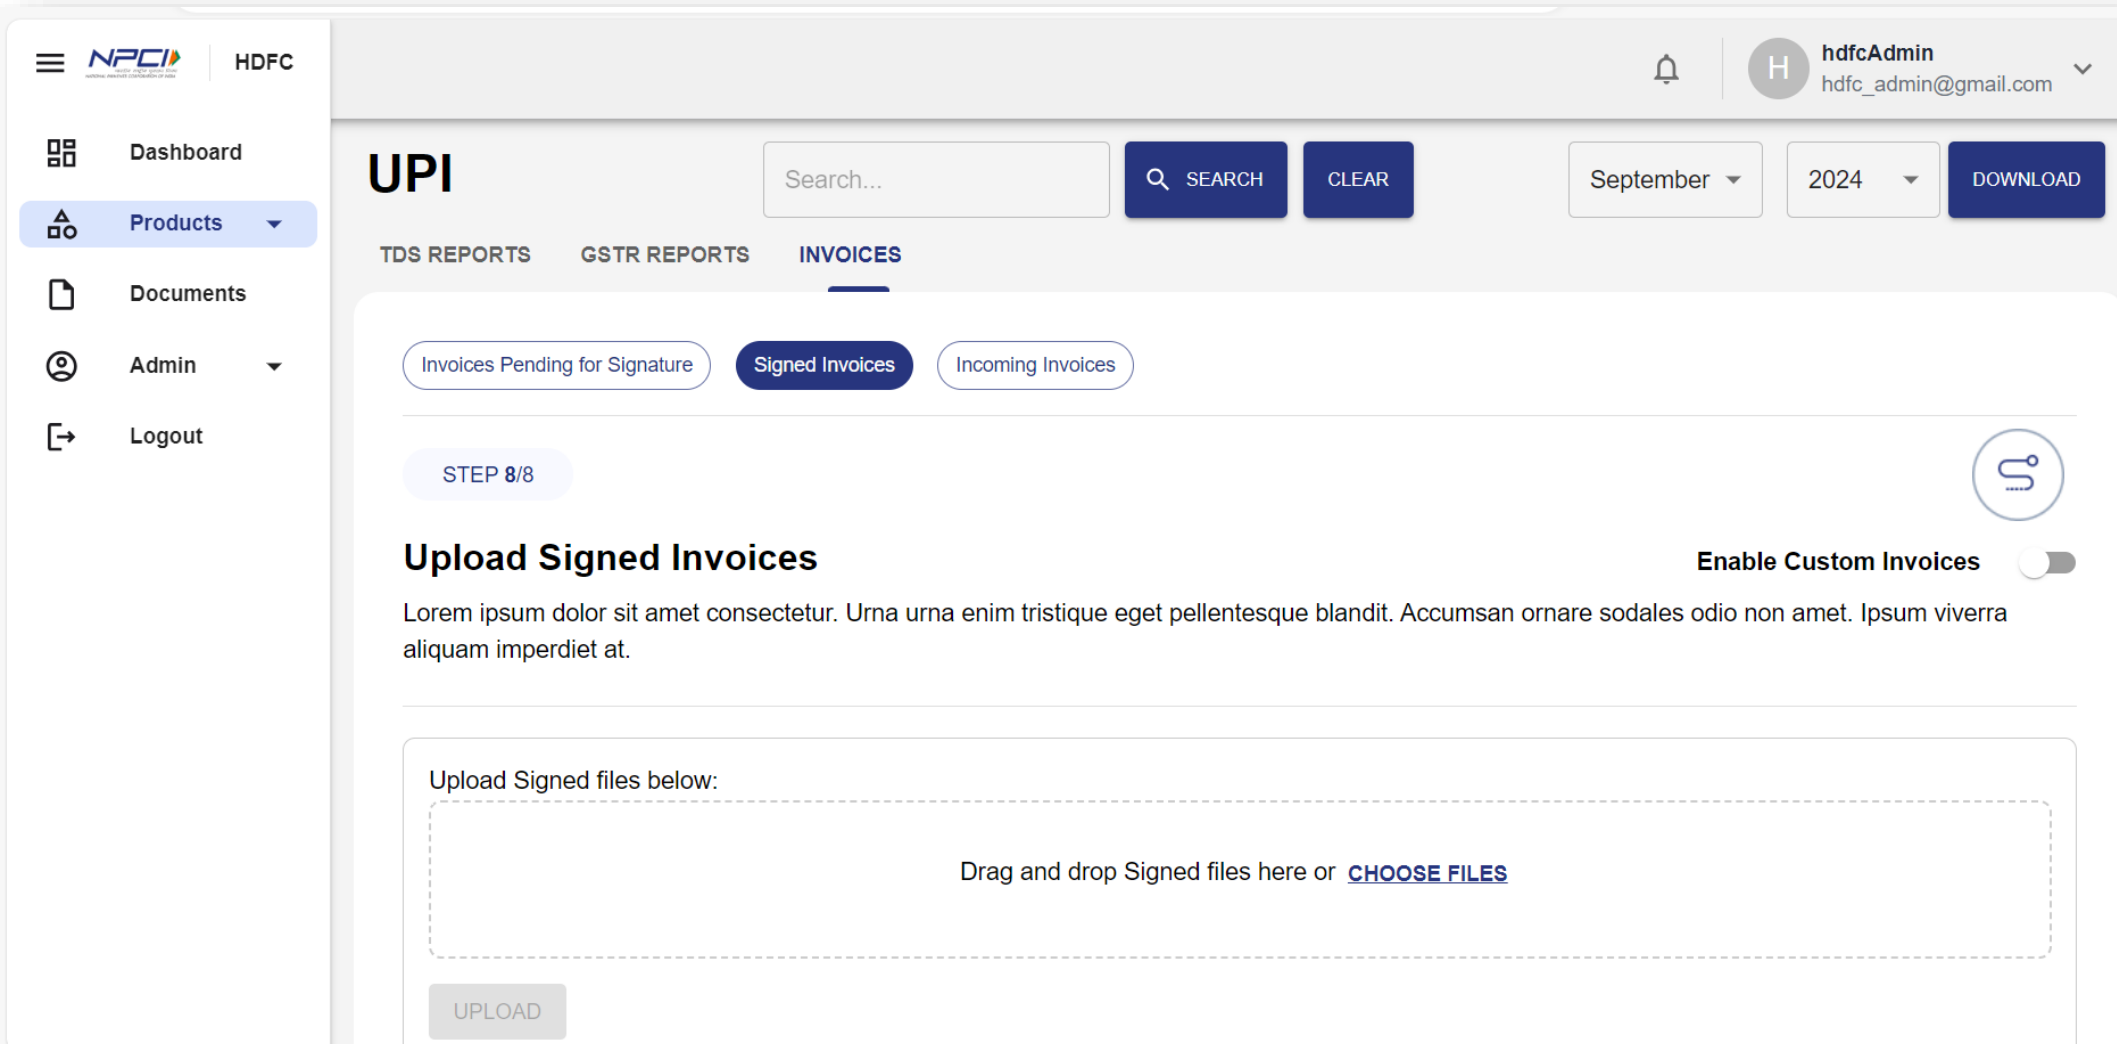

NPCI's GST Portal – Digital Signing

The screenshot displays the NPCI's GST Portal interface. On the left, a sidebar menu includes 'Dashboard', 'Products' (selected), 'Documents', 'Admin', and 'Logout'. The top header shows the NPCI logo, 'HDFC', a notification bell, and the user profile 'hdfcAdmin' with email 'hdfc_admin@gmail.com'. The main content area is titled 'UPI' and features a search bar, 'SEARCH' and 'CLEAR' buttons, and filters for 'September' and '2024' with a 'DOWNLOAD' button. Below these are tabs for 'TDS REPORTS', 'GSTR REPORTS', and 'INVOICES' (selected). Under 'INVOICES', there are buttons for 'Invoices Pending for Signature', 'Signed Invoices', and 'Incoming Invoices'. A 'STEP 8/8' indicator is present. The section is titled 'Invoices received from NPCI' with a placeholder text. A prominent orange banner at the bottom states: 'To complete your bank invoice, please sign the document using our secure signature tool. [SIGN NOW](#)'. The 'SIGN NOW' link is circled in red. At the bottom right, there is a 'Row Per Page' dropdown set to '10'. The footer shows a table header with columns: 'Select All' (checkbox), 'File name', 'Invoice Number', 'Date of Invoice', 'Created At', and 'Action'.

You can complete your digital signing here using the existing 'Super Signer' App

NPCI's GST Portal – Digital Signing

The screenshot displays the NPCI's GST Portal interface. On the left is a sidebar menu with options: Dashboard, Products (selected), Documents, Admin, and Logout. The top header shows the NPCI logo, 'HDFC', a notification bell, and a user profile for 'hdfcAdmin' with email 'hdfc_admin@gmail.com'. The main content area is titled 'UPI' and includes a search bar, 'SEARCH', 'CLEAR', and filters for 'September' and '2024' with a 'DOWNLOAD' button. Below this are tabs for 'TDS REPORTS', 'GSTR REPORTS', and 'INVOICES' (selected). Under the 'INVOICES' tab, there are three buttons: 'Invoices Pending for Signature', 'Signed Invoices' (active), and 'Incoming Invoices'. A progress indicator shows 'STEP 8/8'. The section is titled 'Upload Signed Invoices' and includes a toggle for 'Enable Custom Invoices'. A text block contains placeholder text: 'Lorem ipsum dolor sit amet consectetur. Urna urna enim tristique eget pellentesque blandit. Accumsan ornare sodales odio non amet. Ipsum viverra aliquam imperdiet at.' Below this is a large dashed box for file upload with the text 'Upload Signed files below:' and 'Drag and drop Signed files here or [CHOOSE FILES](#)'. An 'UPLOAD' button is at the bottom left of the upload area.

You can submit your signed invoices in the same platform
